

REGISTER today for the 2019

Respect Life Conference

Saturday, October 5, 2019

St. Vincent de Paul Catholic Church, Charlotte

Keynote Speaker: Paul Scherz, Ph. D.

Dr. Scherz is a Professor of Moral Theology and Ethics at Catholic University of America where he focuses on the field of Bioethics. He has done extensive research in the genetics of embryonic development, investigating the theological and ethical implications of biomedical research.

Details: To be held at St. Vincent de Paul Catholic Church, Charlotte, Oct. 5, 9 am – 4 pm. Includes opening Mass, breakfast refreshments, sessions, lunch, and resource tables. Registration can be found at:

www.ccdoc.org/respectlife.

Other Topics to include:

- Poor Prenatal Diagnosis
- End of Life Ethics
- Scientific Abortion Research
- Reversing Chemical Abortions
